SYDNEE CAPRI & ALIANA LOVE

I told Aliana that I brought some toys. Just you and me, and vibrators make three, and that's quite nice. She's so sweet and did her best to make me forget my last loser of a girlfriend. And I did, for a few hours, then she had left six messages on my phone when I got home. Still a loser. So tonight with Aliana is something extra special.

INTIMATE THOUGHTS AND XXX ADVICE

RE-SEARCH

She was looking for books, but instead she checked out the librarian

Checking the computer, I wrote down the call numbers of the books on women's sexual fantasies. But then I looked around the library's unfamiliar rooms, and at the rows of shelves with their mysterious numbers, none of which made any sense to me. I was baffled, lost, frustrated—I didn't know where to look for the books I wanted, didn't know where the right shelf was, didn't know where on the shelf to look or whether to go left or right. Suddenly I felt flushed; I wanted to be out of there, yet I wanted the books I had finally come in for.

Behind her desk, her hair drawn back tightly into a bun, her eyes coolly fastened on her computer screen, I saw a reference librarian. She was all business, all crisp edges. Like one of the many books, she fit neatly into her space in the library.

The sign on her desk offered her help, so I brought the list of call numbers to her. She looked at them, glanced at me, pushed back her chair, and said, "Follow me, please," as she walked smartly, efficiently toward the stacks.

As we entered the stacks, her hand moved behind the bun to pull out the restraining pins; she shook the shoulder-length mane loose. Without consulting the paper I'd given her, she stopped and stretched up to reach a high shelf.

Her breasts were sharply outlined against the tight cloth of her blouse, her hips round and tightened under the material of her skirt as she reached up for the books I wanted. "One of my favorite sections," she said as she handed the volumes to me. "I can show you more," she offered, "if you have a few minutes."

"Sure," I said, following the beckoning look she gave me over her shoulder as she walked to a narrow back stairway. It led down to the alley behind the library. I felt a blast of cool, fresh air on my face, rushing over me as we walked quickly along the alley, and to an apartment building a block away. She unlocked the back door of the building, and I followed her swaying hips up the stairs to her place.

"Yes," she said as she turned to me on the other side of her apartment door, "I always get wet whenever I go near that section. I've read them all many times. Just looking at those numbers, I get wet. A license plate, an address with those numbers, and I want to reach down and.... I love to sit at my desk, reading one of those with my legs crossed, swinging one leg just so, to make it squeeze my clitoris and keep me right on the edge of an orgasm. I like to stay that way while all the quiet and serious people are using my library. I can look the model of cool efficiency and be just on the edge of exploding into an orgasm.

"Then I have my own fantasies," she continued, her back to the door as she unbuttoned my blouse. I was gasping for air. "Fantasies of a beautiful girl like you coming to my desk and asking for the books on sexual fantasies, fantasies of leading her to the shelf, reaching for the books, showing her my breasts, my butt, my hair as I stretch for them. I have fantasies of bringing her here to my place and taking off her clothes."

My skin was hot, hotter than it had been inside the library, and I could feel the heat suffusing my face, flushing it. My breath was coming in short gasps as she pulled off my blouse and my bra. She sucked the nipple of each breast and led me into her bedroom.

She pulled off my shoes, unbuttoned my pants and pulled them off, and stripped off my panties; now I was naked on her bed. Opening my legs, she looked between them, looked at my pussy.

She told me my breasts were beautiful, the swell of my belly was luxuriant, the flesh of my pussy, the flesh of my labia that filled her hand when she put it between my legs was voluptuous, and my thighs and hips were sumptuous and lovely.

The warm, moist, hard tip of her tongue slowly traced the convoluted folds of the outer edges of my labia, bunched up between my legs. When I felt that sensation, my legs fell open to her gaze, her tongue, her fingers. I felt the pressure of her lips around one of my labia as she pulled it into her mouth. Her tongue kissed it as if it were my tongue in her mouth. And then she did the same thing to the other one. Her fingers gently separated my wet labia as she stared into my wide-open pussy. I was sure it must be glistening with moisture, glowing pink.

Her tongue traced the edges of my pussy as I heard myself begin to moan softly. The tip of her tongue found the root of my clitoris and traced its underside to the cowl. She went around the outside of the cowl of my clitoris till it was pulsing hard, and then she started.

That warm, moist tonguetip was vibrating on the end of my clitoris, bringing me right to the edge of an orgasm and keeping me there, never pushing me over, never insisting, but just being, being steady, constant, rhythmic. I pushed my hips up toward her, hoping she would push me over, but she backed off, ran her tongue into my pussy, around my labia, and back under my clitoris, over it, and then settled again on the end to keep me in that stratosphere.

Now I was gasping. “Do it,” I managed between gulps of air. “Do it now, lover.” I thrust up into her mouth again, and her tongue stopped, moved up to the crease of my thigh, up under my belly, around my navel, under my breasts, paused to circle my left nipple, moved up my neck, under my chin, and into my mouth, where it found my tongue and filled my mouth with the taste of my own sweet pussy. Her fingers found their way into the wetness between my legs. I could barely feel the first finger; the second added substance; but three of them together penetrated me and filled me. I arched my back and thrust my hips up to her hand.

Her other hand circled my butt and drew the fluids from the lower end of my pussy down to my anus, where I felt the almost-tickling of her fingers lightly circling, outlining the spiraled pink flesh, running back to my pussy, meeting her other fingers, and moving back, and then penetrating me back there too.

Between her fingers was only a thin wall of flesh that separated my pussy from my anus, and I could feel her fingers feeling each other—she was trying to shake hands with herself through me. That’s when I started to come. My mouth fell from hers as the moans moved from my throat and into my mouth and took over my tongue, and my body began to spasm out of control.

Then I was empty again. My arms, my asshole, my pussy. I felt the flat, moist warmth of her tongue hard against my clitoris, rhythmically keeping me over that edge, not letting me fall back. My hips thrust up again and again as successive orgasms overcame me, and I shuddered into limpness. I struggled to keep my eyes open, but they fell shut as I rolled away and back into the void, the warm nothingness that contains all.

I felt her arms around me, her breasts on my back, her breath on my neck as I started to come back to the world of the living. She had taken off her clothes and joined me in nakedness. I felt the crispness of her pubic hair against my smooth butt; her knees nestled inside my own. I turned my face to her and kissed her lips gently. She rolled onto her back, opened her legs, and stroked her own clit with the longest finger of her right hand as she put the fingers of her left into my mouth. I sucked each finger, ran my lips down them, kissed the palm of her hand, and traced the curve of her butt down to her asshole, now wet with her own juices.

“I’ve never done this before,” I said. “I’ve never been with a girl. I’ve had fantasies… but….”

“We all have fantasies,” she said. “That’s what the books are about. I can sit at my desk and watch the fantasies in the heads of the girls in the library. I know what they’re thinking, visualizing. It’s almost like watching television. My legs clamp together on my clitoris, and I see what they’re thinking.

“I could see what you were thinking, visualizing. I could tell you were thinking about being with another girl, wondering what her pussy would feel like, wondering what it would be like to have a girl licking your clitoris so it would feel like you were doing it yourself, but not having to do it, being able to relax into it and knowing that nobody would hurt you. I knew that. It’s almost like telepathy. I’ve never been with another girl either. It’s always just me and my fantasies.”

“You are good at it. You’ve never done this before?”

“I know what you like, what you want. I just did what I knew you would like.”

She turned onto her stomach, lifted her ass in the air, and started rotating her ass around her own bunched-up fingers. I traced the pink flesh around and around, up and down, ran my fingers down to join hers in her pussy and then back to slip into her tight asshole. Through that thin wall of flesh I could feel her fingers inside her pussy. Her asshole was tight but wet, wet and welcoming, tight and encompassing.

My finger went deeper inside; she rotated her ass and started to come. I felt her anus relax and open as she spread her hips wider apart. I moved my tongue down the crack at the end of her backbone, slowly down, and into her anus where my fingers had been. I probed deeply and moved my tongue in and out until she gasped again. She said, "I've often thought of doing this, thought of moving into someone's fantasies, making them come true. And with you it seemed just right. I knew you wanted to see my pussy pulsing and open to you. Wide and waiting for you."

I heard her gasp when she came, and then gently turned her over and held her legs open so I could follow up with my tongue on her clitoris. Her clitoris was throbbing, and her pussy was pulsing from her first orgasm, but I made my tongue hard and flat against her hard clit and followed the pace of her thrusting hips to keep her on the other side of that divide, to keep the shudders rippling through her body until her legs went liquid and her arms fell useless to the mattress and her eyes fluttered shut.

"I knew you would follow me out of the library, down the stairs, through the alley, and to my place. I knew we could live this fantasy out."

Then it was my turn to curl my body around hers, to embrace her with my legs and arms, to hold her in the web of my breath and of the vapors breathing out my pussy and into her asshole. My pubic hair rubbed against her ass, reminding me of the crisp feel of it against my fingers, and hers against my lips, my cheeks. I held her and listened to the sounds of her subsiding, shuddering breath.

When she was asleep, I rolled onto my back and held my labia together with my left hand to squeeze the end of my clitoris out between them at the top so I could stroke it with my finger. I gently stroked the underside, slowly and sensuously, until I was again riding the edge of an orgasm. Although I knew I wouldn't actually come. It was a different space from orgasmic space.

My body shuddering woke her up. She rolled onto me and put her thigh between my clinched legs so it was rubbing directly on the end of my clitoris. I rolled over so she was on her back and her thigh was between my legs, rubbing on my clitoris. She moved her leg up and down just perceptibly and flexed and relaxed her thigh muscle against my clitoris as I rubbed it on her smooth leg until I started to come.

I came and came again, and when I fell to my side, she opened my legs and kept me over that edge with her tongue until I shuddered into insensibility again. I wasn't out as long this time. She had her hands in her pussy when I rolled over to kiss her. I stroked her breasts and kissed her while she masturbated the way she wanted to, in my arms, my tongue embracing hers, my hands clasping her hips to me. Softness on softness, roundness enveloping roundness.

I watched her hips swaying as she walked into the kitchen to put on the kettle, watched her breasts as she stretched up to reach the tea in the cabinet above the stove, looked at the black triangle of her thick pubic hair outlined by her thighs and her stomach as she took the cups down and put them on the counter in front of her.

She pulled me into the shower and turned on the hot water, soaped my breasts from behind me, massaged my pubic hair and my mons, stroked my hips and belly, and turned me around to hug me. I washed her, and then we both washed the soap off before we dried one another.

The tea kettle was whistling by the time we stepped out of the bathroom, and she returned to the kitchen naked to make tea. I leaned over and let my breasts fall into my bra, pulled on my panties, and got dressed. I sat on the edge of her bed and watched while she stretched the whiteness of her panties across the beautiful butt my tongue had been in just minutes before, as she fastened her bra and put on her blouse and skirt. She pulled her hair back into a bun.

We sat in the dining room and drank tea as we cooled down from living out our fantasies in the bedroom.

"My name is Melinda," she said. "I don't remember seeing you in the library before."

"I just got my card."

"I'd be pleased if you'd come again," she said as she led me through the alley and unlocked the back door to the library.

I didn't bother to check out the books. We both knew I'd be back.

SABRINA MAREE

I haven't done very much of this. No, not sex, but posing for the camera while I'm totally nekkid. It's kind of a strange feeling with a group of people hanging around while you're taking your clothes off, and fingering yourself. What's weirder is that some aren't watching, they are just doing their own thing. I hope I can get used to it.

WHO'S IN CONTROL

Allan, my current husband, and I have been together for almost six years, happily married, no kids yet, and for the first couple of years of marriage enjoyed some fairly conventional sex. During the last couple years we talked more and more freely about it and realized that we both had fantasies that we're not sharing with the other. We made a pact that we would make an effort to help each other fulfill some of them. We'd start out safe at first, and if that went well, we'd ramp up the excitement level and make our love lives more interesting and more fulfilling.

To that end, we went out to dinner at a nice club and restaurant. Before we went, Allan asked, then demanded, that I put on a short, tight skirt, boots and a sweater. The sweater was the type a loose knit women would wear with a cami or undershirt, but he told me not to. It gets cold in Boston in November, but the air was refreshing on my bare nipples that poked through the holes in the sweater. We warmed up at the restaurant and enjoyed our dinner, but about half way through our meal I saw his face change. He looked at me like he wanted me; it's the look that makes my stomach tighten up with anticipation. He told me to flash him right there at the table. We were in the back of the restaurant but it wasn't that big. The bar area was opposite me and as I lifted my sweater, the bar tender definitely saw me do it but I didn't see if anyone else had.

Momentarily, I felt like a slut, but looking into his eyes, I didn't care. His look told me that I was his, and he wanted people to know it. He told me to do it again, but he also wanted me to pinch my nipples so they were even harder. As I found them through the holes in the sweater, I noticed our waitress saw me doing it as she was bringing our check. She was a cute brunette with big brown eyes and a big, round ass just like mine. Allan likes big asses and said that was one reason he married me. I found myself attracted to her and stroked my nipples while holding her gaze. If she didn't look scared, I was going to invite her home with us. When she handed my husband the bill, she avoided looking directly at me. Clearly she was uncomfortable, and probably not open to the idea. My husband paid for the meal, and asked me up, he was clearly ready to go, when we stood up, I went to adjust my skirt, and he ordered me to stop. We walked out of the restaurant with my skirt riding up high enough to see the bottom of my butt cheeks and my nipples were still pushing through my sweater.

I love when he takes control. I never know what he's going to do next, or tell me what to do next and the anticipation makes me so wet. As we were walking to the car, I had millions of possibilities running through my mind but was not prepared for his decision. We were parked in a parking garage on the first level, from the car you could see the entrance to the parking garage, office building windows and the street. He looked at me, bit his lip, and tore

off my skirt. He pushed me down to my knees and forced me to suck his hard cock. I have come to love sucking my husband's dick. It's sensing his body react, feeling his cock push harder and harder against the back of my throat. He loves to make me choke and he did it then, and for a minute I was afraid my delicious dinner would come back up, but it didn't. Suddenly he picked me up and bent me over with my hands on the car. When he bent me over, I had no choice but I wouldn't have had it any other way. I love it when he hits it from the back, because I can feel his cock all the way up to my stomach.

My naked ass was in the air, and he was pounding into me. We heard a loud engine noise approaching but neither of us wanted to stop. In fact, the idea of someone seeing us with me bent over by my gorgeous husband turned me on even more. I started to moan. He was stroking it so well. I busted all over him right as the car went by. My husband started to stroke even harder, pinching my nipples. This went on for a few more minutes, and as I felt another orgasm building with in me, I couldn't hold it off anymore. I begged him to let me cum. As usual, we timed it perfectly as I felt my world explode in waves of pleasure. I felt his hot cum shoot into me, relieving the tension even further. My orgasm lasted for a couple minutes. I was so spent by the end of it that he had to pick me up and put me in the car.

When we got back to where we were staying, he made me strip in the elevator and finger myself. By this time, my clit was so hard and swollen from busting twice, it almost hurt to play with it – but that kind of pain makes me so wet; to the point where it runs down my leg in long thin streams. The whole time he's pulled his cock out and is rubbing it with one hand and taking a video of me with his cell phone as I'm rubbing myself. He said he was ready to cum and I quickly fell to my knees and took it all in my mouth and swallowed. I stood back up and went back to flicking my clit as I licked up the rest of his cum.

HE SAID HE WAS READY TO CUM AND I QUICKLY FELL TO MY KNEES AND TOOK IT ALL IN MY MOUTH.

Suddenly, two people walked into the elevator while I was rubbing me, but I didn't stop. He didn't even have to tell me to keep going, and they surely didn't mind watching. When we reached our floor, I exited the elevator and pulled my skirt all the way off and ran down the hallway to our room with my ass bouncing in the air. He was right behind me!

BLASTING AT THE CLUB

I work hard for my money and any little extra is always a great help. I work at a very busy, small club in the brewery district near downtown L.A. After a busy night at the place, the owner, Erick suggested we lock up early and the remaining staff and a few friends could stay and party down since it was the holidays and already cold outside. We all started drinking, which we aren't allowed to do while on our shifts, and so we were all getting along quite well.

A couple that were friends with the owner were getting drunk quicker than the rest of us, since they didn't have to work and had a head start on the booze. They were sitting at a high table in the middle of the bar area, kissing and touching each other, and getting the rest of us turned on as we couldn't help but watch.

For the last few weeks, Erick, who was also the head bartender, had been giving me the eye, and apparently tonight he decided he wasn't going to wait any more. We were all chatting away and many started teasing and touching each other, getting more and more turned on. There was always sexual tension between the

staffers and tonight it seemed ready to explode. Even I was getting a bit horny as the booze and eye candy were taking effect. I was getting moist and my clit was screaming to be rubbed. I really didn't care who did it, as long as someone did. As soon as one of the other waitresses got up from the bar stool next to me, Erick came over and started small talking me. I must have said some things and the next thing I know his hand is between my legs, feeling the small amount of lady juice that had started to drip out of me. He rotated the bar stool so I faced him and lifted up my short skirt, pushing his hand down my panties. His fingers were so welcome by this point and I didn't give a fuck if there were other people watching. One of the other waiters walked over to us, took my hand and placed it on his huge cock that was apparently sticking out of his pants. I held it in a vise-like grip and started pulling on it, getting bigger with every stroke. And as I leaned forward, down to his cock, I sensed his whole body shake. He knew he was going to get a bj, but up until now he never thought it would be from me!

Suddenly we heard loud screams and groans from a couple. She had climbed up on the tall table and was on her back, pantyless as her friend was eating her out. She stopped moaning and they switched places. He sat up on the table, pants off, legs spread wide resting on a couple tall chairs as she settled between them and started sucking on his dick. I watched for a minute, then her head disappeared lower, probably to suck on his balls, and then I went back to my two guys. I grabbed the waiter's cock hard and pulled it to my mouth. I heard him moan; how long had he had this hard on? It was fucking rock hard, and he was loving my mouth around it, sucking it and stroking it hard with my hand. By now Erick wanted in on the action, so without hesitation he pulled me up and sat me on his massive cock. With hot juices dripping from my pussy, I slid onto it nice and easy.

The guy I was blowing couldn't believe it, he was being sucked off while I was being fucked, and I was sucking at his cock so hard, he spurt all his stuff in my mouth, cum sliding down the side of my face. By now the couple were fucking like mad. She had been screaming with every orgasm, and he was shooting cum all over her face. I was bouncing up and down being fucked really hard, and came again and again. My pussy and clit were on fire, my body was shaking and I couldn't control it.

My orgasms were huge, one after the other, bang, bang! Erick couldn't hold his cum any more and threw me off him and stood over me. I felt helpless that this guy was going to shoot one hell of a load all over me. His cum came out like a raging waterfall, covering me and hitting my face. I was licking my lips, getting a good taste of it, loving it.

I didn't stay working at the club much after that, I had my fun with the boss but his flirting with me began to piss me off. I slipped my number in his back pocket and told him to call if he was ever lonely, and walked away. He did call me, but my husband answered the phone, so, I never heard from him again.

ONE OF THE OTHER WAITERS WALKED OVER TO US, TOOK MY HAND AND PLACED IT ON HIS HUGE COCK.

I gotta tell you that I don't think I ever had such a good fuck as I did in this shoot. I got so lost in the sex. First with the big butt plug, then with the big cock in my ass. I'm glad he could control himself and not cum inside me. That made for a great facial shot, the photographer told me.
